THE WHITE HOUSE

WASHINGTON

March 12, 1990

Dear Commander Myers:

My sincere thanks for your outstanding assistance with security, logistics, and communications during my visit to Colombia. The successful completion of the Drug Summit was made possible by the excellent support provided by the officers and men of the USS SAMPSON and so many others. I deeply appreciate your thorough efforts to ensure our safety during these very important meetings.

Thank you again for your involvement in my trip.

With best wishes,

Sincerely,

George Bush
